

Cabell County Youth Empowerment Program Update

CCYEP Hosts Graduation Ceremony

On Tuesday, May 17th, CCYEP staff presented 54 certificates to students who had passed the GED test, competed training in the woodshop program, enrolled in college, and/or found full time or part time employment.

Ron Ratcliff, Executive Director of the Governor's Workforce Investment Division, was the keynote speaker.

HHA congratulates all those students who have successfully completed the CCYEP program.

WOODSHOP PROGRAM WINS NATIONAL AWARD

The Huntington School of Fine Woodwork, a training component of the Cabell County Youth Empowerment Program, received a National Merit Award from the National Association of Housing and Redevelopment Officials in Washington, D.C.

Bill Dotson, HHA Executive Director, attended the NAHRO Summer Conference in San Francisco, California, July 14-15. While there, Mr. Dotson accepted the award on behalf of the students as well as hosted an information table where he displayed woodcrafts made by the students in the program and shared with other agencies from across the United States how to develop a woodshop program of their own.

CCYEP Welcomes Newest Staff Member

CCYEP welcomes Kelly Plantz to the program as the Student Support Specialist. Her job is to help CCYEP and Youthbuild students prepare for the GED, go to college and find full time or part time jobs.

Kelly comes to CCYEP with extensive training and experience in working with individuals to help them set and reach their educational and employment goals.

Welcome Kelly to the team!!!!
