

RAZE/Tobacco Prevention

The Regional RAZE On training was held on December 15, 2007 at the Chief Logan State Park Conference Center. We had 12 ORC/TACS members attend and participate.

Over 85 middle and high school students from six counties in Region II attended this training.

This was an exciting time to get with other students from our surrounding counties and discuss issue about tobacco. Our students gained a lot of useful information and also shared many ideas with other RAZE crews.
